PRE-ADMISSION SCREENING & RESIDENT REVIEW (PASRR) LEVEL II EXEMPTION NOTIFICATION

Date of Referral: «Date»

Name: «First» «Last»

Date of Birth: «Date_of_Birth»

Facility/ Fax Number: «REFERRAL_SOURCE»

Contact Person/ Phone: «PERSON_CALLING»

Health & Education Services, Inc (HES) as an agent of the Department of Mental Health (DMH) has determined that the individual referenced above is not considered to have a serious mental illness, as defined under 42 CFR 483.102. Therefore, in accordance with 42 CFR 483.128(m), a Level II PASRR evaluation is NOT required to be completed on this individual.

HES's determination that the individual is not considered to have a serious mental illness is based on the following information:

Within the past two years, the individual has NOT:

- (1) had two or more psychiatric hospitalizations;
- (2) been in a psychiatric day treatment, respite or crisis stabilization program;
- (3) been in a residential treatment setting due to a mental disorder defined at 483.102(b)(1)(i);
- (4) experienced intervention by housing or law enforcement officials due to a mental disorder defined at 483.102(b)(1)(i);; OR
- (5) required support services to maintain functioning at home due to mental disorder defined at 483.102(b)(1)(i);

This determination is certified by Karen Vautour, PhD, LICSW Date: «Date»

If you have any questions about this notification, or feel the information is inaccurate, please contact Health and Education Services, Inc., at (978) 524-7100, extension 106, during regular business hours.
