Lodge, Heal, Renew

Beacon House is an apartment complex with a small number of units leased by Massachusetts General Hospital, for the benefit of patients and families traveling a distance for medical care. Most of the building is occupied by long-term residents. This meticulous and beautifully restored building offers a spacious grand lobby, a spectacular eight-story atrium with roof deck, laundry facility and more.

We invite you to make one of our clean and cozy affordable units your temporary home away from home.

Our rooms are exclusively for patients, families and care givers. Listed below are MGH rates. Non-MGH guests are welcomed at a slightly higher rate. Please call for details.
