

Amtrak Downeaster Cancer Care Fare

The Amtrak Downeaster has once again partnered with the American Cancer Society to offer a significant discount for medical travel, allowing one patient and one companion to travel for \$12 one -way or \$24 roundtrip per person.

Offer valid on all trains Monday through Friday. Travel must originate in Maine and terminate in Woburn or Boston ONLY. You must contact Amtrak and reference valid coupon code to receive this discount. Discounted tickets must be purchased 3-days in advance from day of travel. Offer valid through 12/31/25.

If interested in learning more about this program, please speak with a member of your care team (i.e.: social worker or navigator) for eligibility and receipt of coupon code.

PROGRAM ELIGIBILITY AND PROVISIONS

- Must be a resident of Maine traveling for a cancer related medical appointment.
- Travel must originate at a Maine Station (Brunswick, Freeport, Portland, Wells, Old Orchard Beach, or Saco) and end in Woburn or Boston, MA.
- The coupon is good for one cancer patient and a companion
- The coupon can be used as many times as needed for transportation to treatment and treatment related appointments through the end of 2024
- The coupon is good for travel Monday through Friday with no time or holiday restrictions
- Patient must be 18 or older to ride by themselves

Instructions for Coupon Use

- Patient may purchase their ticket over the phone, online, or at the Portland station with a 3-day advance purchase prior to travel.
- If ticket is purchased at the Portland station, they must have coupon with them.
- If ticket is purchased over the phone, the coupon must be mentioned to ticket agent
- If ordering online, patient must enter the coupon code in the "Promotion Code box"
- It is recommended that the patient bring the coupon with them when travelling (in case there are any issues) , along with their ID.
