

SUPPORTING PATIENTS • FUNDING CARE • PROVIDING HOPE

**The Ellie Fund provides essential support services for breast cancer patients and their families to ease the stresses of everyday life, allowing the focus to be on family, recovery and healing.**

### **We're here for you.**

Women and men in active breast cancer treatment, residing or receiving treatment in Massachusetts, are eligible to receive support. We do not discriminate on the basis of income, gender, marital status, age, ethnicity or religion.

To apply for support from the Ellie Fund, contact a Social Worker, Patient Navigator or Resource Specialist at your treatment facility. If you need help connecting with an oncology professional, **please contact us at 781-449-0100.**

**Our Healing Together Patient and Family Care Program and Metastatic Breast Cancer Support Program provide the following services, free of charge:**

#### **Grocery Assistance**

- Gift cards to local grocery stores including, but not limited to, Stop & Shop, Market Basket and Big Y.

#### **Transportation**

To/from medical appointments

- Parking
- Gas gift cards
- Taxi vouchers/reimbursement
- Funding for the MBTA Ride program

#### **Light Housekeeping**

- Licensed and insured companies will provide light housekeeping services, including dusting, vacuuming and cleaning of the kitchen and bathrooms.

#### **Childcare Reimbursement**

- Funding for licensed childcare services, after-school programs and summer camps.

#### **Nutritious, Prepared Meals**

- Healthy, pre-assembled meals delivered once a month.

#### **Integrative Therapies (Metastatic Patients only)**

- Acupuncture and oncology massage therapies provided through our Metastatic Breast Cancer Support Program.

*"The Ellie Fund sent my kids to summer camp when I was going through treatment and at my worst. This meant the world to me, because my kids are everything." - Beth*

### **Invest in care today. Grant healing tomorrow.**

By choosing to support the Ellie Fund, you are taking an active role in efforts to alleviate the physical, financial and emotional side effects of breast cancer treatment, partnering in a patient's journey towards recovery and healing. **To learn how you can make an impact, visit us at [www.elliefund.org](http://www.elliefund.org).**
