# Fall 2017 SNAP Benefit Change

### **Did You Know?**

Each year the USDA Food and Nutrition Service updates SNAP:

- Income Eligibility Standards &
- Allowable Deductions

These changes are because of a cost of living adjustment (COLA) which may cause a client's monthly SNAP benefit to change.

The annual SNAP COLA will happen October 1<sup>st</sup>.

### **SNAP COLA Adjustments**

In October SNAP benefits will change by a small amount for many households due to the SNAP COLA.

SNAP households will get a notice in October about this change.

Clients who are not getting the maximum benefit amount should let DTA know about certain expenses listed on the back of this page. This may help households get more in SNAP benefits.
